

# Rules for the protection of information about users of the site [www.regenio.ru](https://www.regenio.ru)

## 1. General Provisions

1.1. These Rules determine the procedure for processing and protecting information about individuals who use the services of the website <https://regenio.ru/> (hereinafter referred to as the Site) and its services (hereinafter referred to as Users).

1.2. The purpose of these Rules is to ensure appropriate protection of information about users, including their personal data, from unauthorized access and disclosure.

1.3. Relations related to the collection, storage, dissemination and protection of information about users of the Site are governed by these Rules and other official documents of the Site Administration.

1.4. The current version of the Rules, which are a public document, is available to any Internet user by clicking on the link <https://regenio/privacy>. The Site Administration has the right to make changes to these Rules. When making changes to the Rules, the Site Administration notifies users of this by posting a new version of the Rules on the Site at the permanent address <https://regenio/privacy>. Previous editions of the Rules are stored in the archive of the Site Administration documentation.

1.5. By registering and using the Site, the User agrees to the terms of these Rules.

1.6. In case of disagreement of the User with the terms of these Rules, the use of the Site and its services should be immediately terminated.

## 2. Website Terms of Use

2.1. Providing services for the use of the Site and its services (hereinafter referred to as the Site Services), the Site Administration, acting reasonably and in good faith, believes that the User: has all the necessary rights that allow him to register and use this Site; indicates reliable information about himself in the volumes necessary for using the Site Services; realizes that the information on the Site posted by the User about himself may become available to other users of the Site and Internet users, may be copied and distributed by such users; acquainted with these Rules, expresses his agreement with them and assumes the rights and obligations indicated in them.

2.2. The Site Administration does not verify the accuracy of the information received (collected) about users, except when such verification is necessary in order to fulfill the Site Administration's obligations to the user.

## 3. Information Processing Goals

3.1. The Site Administration processes information about Users, including their personal data, in order to fulfill the obligations of the Site Administration to Users regarding the use of the Site and its services.

## 4. User Information Composition

### 4.1. User Personal Data

User personal data includes:

**4.1.1.** provided by the Users and minimally necessary for registration on the Site: name, surname, gender, mobile phone number and / or email address;

**4.1.2.** additionally provided by Users at the request of the Site Administration in order to fulfill the Site Administration obligations to Users arising from the contract for the provision of Site Services. The Site Administration has the right, in particular, to request from the User a copy of an identity document or other document containing the name, surname, photograph of the User, as well as other additional information, which, at the discretion of the Site Administration, will be necessary and sufficient to identify such a User and will eliminate the abuse and violation of the rights of third parties.

**4.1.3.** information created by users on the Site (photos, videos, comments).

## 5. User Information Processing

**5.1. The processing of personal data is based on the principles of:** a) the legality of the purposes and methods of processing personal data; b) good faith; c) the compliance of the purposes of processing personal data with the goals previously determined and declared during the collection of personal data, as well as the powers of the Site Administration; d) compliance of the volume and nature of the processed personal data, methods of processing personal data with the purposes of processing personal data; e) the inadmissibility of combining databases containing personal data created for incompatible purposes.

**5.1.1. Conditions and purposes of processing personal data.** The Site Administration processes the user's personal data in order to fulfill the contract between the Site Administration and the User for the provision of the Site Services. By virtue of Article 6 of the Federal Law of July 27, 2006 No. 152-Federal Law "On Personal Data", separate consent of the user to the processing of his personal data is not required. By virtue of p. 2 clause 2 of article 22 of the said law, the Site Administration has the right to process personal data without notifying the authorized body for the protection of the rights of personal data subjects.

**5.1.2. Personal data collection.** The collection of User's personal data is carried out on the Site during registration, as well as in the future when the user, on his own initiative, makes additional information about himself using the Site's tools. Personal data provided for in clause 4.1.1. of these Rules are provided by the User and are the minimum necessary for registration. Personal data provided for in clause 4.1.2. of these Rules are additionally provided by the User on his own initiative.

**5.1.3. Storage and use of personal data.** User personal data is stored exclusively on electronic media and processed using automated systems, unless the automated processing of personal data is necessary in connection with the implementation of legal requirements.

**5.1.4. Transfer of personal data.** The personal data of the Users are not transferred to any third parties, with the exception of cases expressly provided for by these Rules. The provision of Users personal data at the request of state bodies (local authorities) is carried out in the manner prescribed by law. To ensure the goals of the Site, the User agrees to the implementation by the Site Administration in compliance with the applicable legislation of the collection, storage, accumulation, systematization, extraction, comparison, use, filling

(clarification) of their data, as well as the receipt and transmission to affiliates and partners of the results of automated processing of such data using various models for evaluating information for processing data by the Site Administration and / or the persons specified in this paragraph.

**5.1.5. Destruction of personal data.** The user's personal data is destroyed when the Site Administration removes the information posted by the User, at the time at the discretion of the Site administration.

**5.2.** By posting their personal data on the Site, the User is aware and agrees that the information indicated may be available to other Internet users.

## **6. Rights and obligations of users**

### **6.1. Users are entitled:**

6.1.1. to provide free, free access to information about yourself by uploading your personal pages on the Site using a username and password;

6.1.2. to independently make changes and corrections to the information about yourself on the User's personal page on the Site, provided that such changes and corrections contain relevant and reliable information;

6.1.3. delete information about yourself from your personal page on the Site;

6.1.4. require the Site Administration to clarify their personal data, block or destroy it if such data is incomplete, outdated, inaccurate, illegally obtained or is not necessary for the stated purpose of processing and if it is impossible to independently carry out the actions provided for in paragraph. 6.1.2. and 6.1.3. of these Rules;

## **7. Measures to protect user information**

7.1. The Site Administration takes technical and legal measures to ensure the protection of the User's personal data from unauthorized or accidental access to it, destruction, modification, blocking, copying, distribution, as well as from other illegal actions.

7.2. To authorize access to the Site, the username (email address or mobile phone number) and password of the User are used. The responsibility for the safety of this information lies with the User. The user does not have the right to transfer his own username and password to third parties, and is also obliged to take measures to ensure their confidentiality.

## **8. Limitation of the Rules**

8.1. The effect of these Rules does not apply to the actions and Internet resources of third parties. The Site Administration is not responsible for the actions of third parties who, as a result of using the Internet or the Site Services, have gained access to information about Users.
